

Looking for Summer or Year-Round Mission Trips?

CHALLENGE to *Change*

The Challenge To Change program is designed to combine hands-on mission with fact finding opportunities that increase awareness of poverty and social justice issues. This program provides a great opportunity to lead Middle School, High School, or College students on a journey of mission and personal transformation.

In cooperation with Beth-El Mission, a farm-workers mission in Wimauma, Florida, and Metropolitan Ministries, an inner-city family mission located in downtown Tampa, the Challenge to Change program provides your group with the full experience of service, study, worship, and personal growth.

Typical trips are for 5 nights and 6 days, however, Cedarkirk understands and values the importance of your group and will therefore tailor the mission/education trips to best fit your group's needs. Here is some of what we offer: awareness development, field work and hands-on service, worship experiences, group building activities, fellowship, and sabbath. This program includes all meals, air-conditioned lodging, and camp activities. Transportation and additional activity options may affect price.

We encourage events for spring breaks, fall breaks, extended weekends, and throughout the summer. Call early to choose a date that is best for your group. For more information, please contact Mark Orendorf at mark@cedarkirk.com or 813-685-4224 ext 2.
